THE NON-PROLIFERATION OF
WEAPONS OF MASS DESTRUCTION**

NOTICE TO INDUSTRY

Updated Government Gazettes listing dual use controlled goods: South African Council for the Non-Proliferation of Weapons of Mass Destruction

The South African Council for the Non-Proliferation of Weapons of Mass Destruction (the Council) would like to inform all relevant industry stakeholders that the Council has updated five Government Gazettes promulgated under the Non-Proliferation of Weapons of Mass Destruction Act, 1993 (Act No.87 of 1993) (Non-Proliferation Act).

The Council is a statutory body established in terms of the Non-Proliferation Act to regulate strategic (dual use) goods and technologies that could be used in the development and production of weapons of mass destruction. As contemplated in the Non-Proliferation Act, the Minister of Trade, Industry and Competition may make regulations regarding the application of the provisions of international conventions, treaties and agreements with regard to non-proliferation entered into or ratified by the Government of the Republic. On 14 June 2024, the Minister signed the below mentioned Government Gazettes, which has repealed the Government Notices that were signed on March 2019 and April 2021.

The Government Notices and detailed lists can be found on the Council website at <http://nonproliferation.thedtic.gov.za/>

1. **Government Gazette No. R. 4975 of 14 June 2024** – Declaration of certain chemical goods as controlled goods and control measures applicable to such goods.
2. **Government Gazette No. R. 4976 of 14 June 2024** – Declaration of certain missile technology and related items as controlled goods, and control measures, applicable to such goods.
 - The list of the missile technology and related items, referred to as the Missile Technology Control Regime (MTCR) Annex dated 21 October 2022 is published on the website of the Non-Proliferation Council at <http://non-proliferation.thedtic.gov.za/>
3. **Government Gazette No. R. 4977 of 14 June 2024** – Declaration of nuclear-related dual-use equipment, materials, software and related technology as controlled goods, and control measures applicable to such goods.
 - The list of nuclear-related dual-use equipment, material, software and related technology as contained in the International Atomic Energy Agency (IAEA) INFCIRC/254/Rev. 12/Part 2a (Corrected) dated 29 July 2022, also referred to as the Nuclear Suppliers Group Part 2 Guidelines are published on the website of the Non-Proliferation Council at <http://non-proliferation.thedtic.gov.za/>
4. **Government Gazette No. R. 4978 of 14 June 2024** – Declaration of certain biological goods and technologies as controlled goods and control measures applicable to such goods.
5. **Government Gazette No. R. 4979 of 14 June 2024** – Declaration of certain nuclear-related dual-use equipment, materials, software and related technology as controlled goods, and control measures applicable to such goods.
